Exciting News!

The Midwest is one of the greatest places to visit!

In an effort to share the best of America's Heartland and our "Better Way To Stay", look for our soon to be introduced **Midwest Association of Independent Inns** website.

MWInns is a travel/lodging site and will be the perfect place to go to plan your next adventure or relaxing getaway. There is a lot to love about being in the Midwest and our innkeepers will look forward to welcoming you!

You're Unique. Stay That Way.

Why B&B in Wisconsin? Because...

It is better to Seek the Unique!

- Among our member inns, you'll find variety: contemporary urban B&B's, working farmsteads, lake homes, log cabins, historic mansions, eco-inns and more.
- Every inn is licensed, inspected and insured.
- Our innkeepers know genuine Wisconsin hospitality and where to go and what to do to make your stay an authentic experience.
- Every inn has private baths.
- The sleep experience is sublime.
- Wisconsin B&B's practically invented farm-to-table cuisine, sourcing locally for their signature recipes.
- The perks are plentiful and most amenities are free like, wi-fi, parking, and of course, breakfast.
- Wisconsin Bed & Breakfasts aren't just for vacations. They're also perfect for business travel, special events, and weddings.

**When you go someplace special you should stay
someplace special.**
